English - Create a new server (Windows 10/11/Server 20xx)

Introduction

Servers are the first pillars of games like those in the Arma series, and have been for a long time. French Reforger Mod has, in the past and in the present, collaborated with many Arma Reforger communities and collected a great deal of knowledge about “Enfusion” servers. Today, we're putting everything we've learned over the last few months down on paper (or pixel, rather).
