

Find help on the FRENCH REFORGER MOD discord if you need ? Check our progress about this wiki here ?

Change loading screen of a scenario

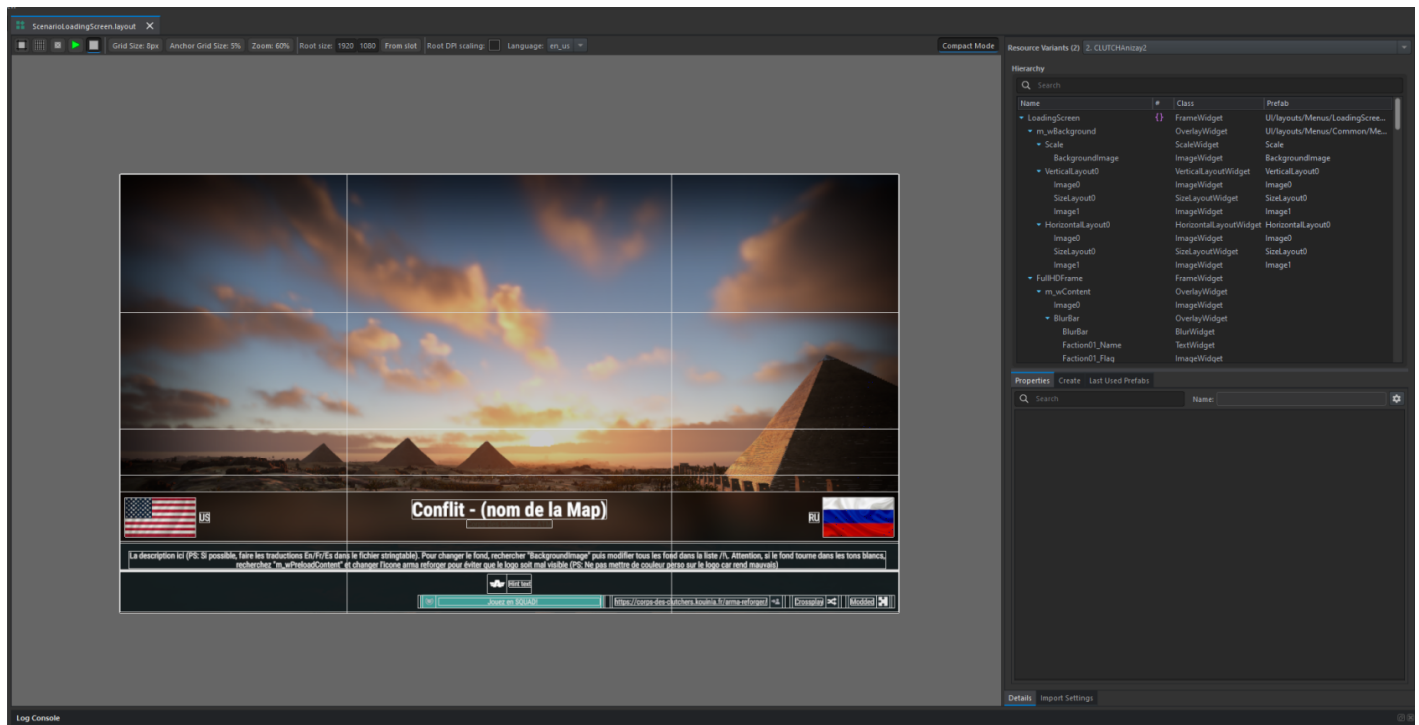

To change the loading screen, you need to override the connection UI.

Override this layout:

[https://enfusionengine.com/api/redirect?to=enfusion://ResourceManager/\\$ArmaReforger:UI/layouts/Menu/LoadingScreen/ScenarioLoadingScreen.layout](https://enfusionengine.com/api/redirect?to=enfusion://ResourceManager/$ArmaReforger:UI/layouts/Menu/LoadingScreen/ScenarioLoadingScreen.layout)

You will arrive on this screen where you can customize everything.
